

## ScripNow, ReloadNow, Reload, and Online Orders

### Online Ordering:

Families can order their Scrip cards online by Monday for delivery to the school on the following Friday. Go to [www.shopwithscrip.com](http://www.shopwithscrip.com) and click on "Shop". There are over 700 stores listed, including our local Watertown stores & restaurants. When shopping Scrip online you can click on the stores and see if they offer ScripNow, ReloadNow, Reload, or physical cards only. Knowing this helps with planning your shopping and what you can save!

### Mobile Ordering/Spending:

ScripNow & ReloadNow offer immediate Scrip credit to shop within seconds at some stores. I have literally done this when ready to enter the checkout line.

Reload online offers access to shop within 24 hours if you already have a physical card that you want to reload.

All online purchases are done through PrestoPay.

The cost is \$0.15 per purchase for PrestoPay transactions.

If you incur an overdraft situation, there will be a \$30 overdraft fee charged to your CCLS family account.
